2. John D. & Julianne M. Manning have filed an application for a General Variance to permit construction of the extension of the living room and "A-Frame" out 6' over the existing deck. The new space will measure approximately 6' x 20' and not add any additional square footage to the premises. Applicants state the volume increase will slightly exceed the available amount and set backs are not affected. The property is known as Map 55, Lot 16, 204 Thompson Lake Shores Road and is located in a Limited Residential Recreational Zone.
