● Some roads were not able to be plowed after the last winter storm due to road surfaces
becoming soft and breaking up as a result of changing temperatures and more sunlight.

● Liberal amounts of sand have been spread on roads to combat ice.

● As a result of the amount of snow received this year, mailboxes have been damaged by snow
removal equipment. Mailboxes placed in a road right of way are the responsibility of the
owner. The Town is not responsible for damages to mailboxes incurred by snow removal
equipment.

● Please contact the Town Manager at 627-4515, ext. 201, with any concerns about winter road
conditions.
