

PUBLIC MEETING

TENNEY HILL REPARATION FUND

**Public input sought for use of Tenney Hill
Reparation Funds awarded by DEP settlement
for groundwater contamination.**

May 6, 2014 at 6:30 PM

Casco Community Center, 940 Meadow Road, Casco

Funding Ideas

- ◆ Town-wide hazardous waste day
- ◆ Well testing
- ◆ Source cleanup (leaking tanks, dumping)
- ◆ Education & Outreach
- ◆ Emergency Response Toolbox
- ◆ Easements for future public wells
- ◆ Data inventory (local, regional, state records)

The Town of Casco received an award of \$500,000 from the State because of groundwater contamination at the Tenney Hill waste oil site. The Selectboard needs help from residents, businesses and landowners to decide how to use these funds over the next five years. Working together we can protect Casco's groundwater resources for future generations. For more information visit www.cascomaine.org.

"We never know the worth of water till the well is dry."

- Thomas Fuller, 1732
